EXPERIENCE

**Math & Economics Tutor
(Self-Employed)** Kitchener, ON
January 2025 - Present

- Provide personalized sessional tutoring in high school mathematics (algebra, functions, calculus) and university introductory economics, drawing upon academic experience to deliver relevant, student-centered instruction. Employ tailored study plans informed by long-term goals and effective study strategies. Build foundational knowledge and academic confidence through flexible online and in-person sessions. Available to accommodate 2-3 students concurrently while completing university studies, with availability adjusted based on demand.

**Bingemans - Boston Pizza & Kingpin Bowlounge
Server** Kitchener, ON
January 2023 - Present

- Provide comprehensive dining service to upwards of 50 guests per shift at Canada's largest Boston Pizza. Execute autonomous operational capability though independent management of large-scale events, accommodating up to 60 guests. Ensure accuracy and efficiency across all POS transactions, order processing, and special accommodation requests. Entrusted with the training and professional development of 5 new personnel in system operations and organizational service standards.

Expeditor April 2022 - January 2023

- Functioned as an independent mediator, facilitating communication between front of house and back of house operations during peak dinner service and seasonal periods (Christmas, New Year's). Coordinated quality control and timing at the pass, ensuring precise plate presentation and order accuracy. Directed food runners to optimize service delivery timelines, and enhance guest satisfaction metrics.

**Chicopee Ski & Summer Resort
Server** Kitchener, ON
November 2022 - March 2023

- Delivered consistent, high-quality service in a dynamic resort environment, cultivating repeat clientele through personalized guest interactions. Demonstrated comprehensive menu knowledge including daily specials to provide informed recommendations and pairing options. Maintained pristine dining standards and organizational efficiency throughout peak ski season traffic.
