Experience

Teaching Assistant – United College (at University of Waterloo)

Sept 2026 – Dec 2026

- ECON 101 (Introduction to Microeconomics) [Course Outline](#)
- Hold virtual office hours twice per week, supporting students' understanding of course material and assignments.
- Assist with grade entry through LEARN (D2L) and Mobius, and with processing final exam submissions as needed.

Teaching Assistant – University of Waterloo

May 2026 – Aug 2026

- ECON 102 (Introduction to Macroeconomics) [Course Outline](#)
- Graded the assignments, midterm, and half of the final exam (all consisting of written responses) for 170 students.
- Manage grade entry using LEARN (D2L) and Excel.

Proctor – University of Waterloo

May 2026 – Present (On-Call)

- Proctor midterms and final exams for various economics courses.
- Distribute exams and testing materials, verify student identities, and enforce academic integrity among students.

Mathematics & Economics Tutor – Self-Employed

Jan 2025 – June 2026

- Provide personalized sessional tutoring to high school students in mathematics (algebra, functions, calculus) and university students in introductory microeconomics and macroeconomics.
- Translate abstract economic and mathematical theories into understandable and accessible instruction.

Projects

ECON 421 Research Project - University of Waterloo

Apr 2026

To Grad or Not to Grad: An Econometric Approach to Estimating the Return to Graduate Degrees Relative to Bachelor's Degrees Across Canada

- Cleaned and analyzed 2021 Canadian Census microdata ($N = 127,765$).
- Applied OLS, interaction models, and Tobit (MLE) estimation.
- Addressed endogeneity and explored IV (2SLS) methods
- Found that returns to graduate education vary significantly across provinces.
- Identified how labour market structure may correlate with how graduate degrees are valued.

bptips – R Package for Servers

2026

- [CRAN: bptips](#)
- Developed and published an R package that transforms basic shift cashout data into a detailed report, providing greater insight into individual performance and earnings through metrics including tip retention, tip burden, hourly earnings, and sales efficiency.
- Version 2.0 is in development and will introduce longitudinal shift tracking and additional performance analytics.

Volunteering and Leadership

Economics Departmental Review – University of Waterloo

April 2026

- Selected by the Department Chair as an undergraduate participant in the Economics Departmental External Review.
- Met with external reviewers to discuss the program's strengths, challenges, and opportunities for improvement, with feedback incorporated into their final report.

Economics Ambassador – University of Waterloo

Mar 2026

- Represented the Economics Program at the University Open House.
- Advised prospective students and their families on Waterloo's Economics program, academic opportunities, and student experience.

Honours and Awards

Term Distinction – University of Waterloo

Sep 2023 – Present

- Maintained a minimum cumulative average of 80.0% in consecutive terms from Fall 2023 to Spring 2026.

President's Scholarship of Distinction – University of Waterloo

Sep 2023

- Valued at \$2,000, this scholarship is awarded to students who are admitted to the University of Waterloo with an early admission average of between 90 - 94.9%.

Technical Skills

- Statistical Programming in R/RStudio and Stata
- Macroeconomic Modelling in MATLAB/Dynare
- Microsoft Office and Google Workspace
- Applied Mathematics
- Academic Writing

Other Work Experience

Server – Bingemans Jan 2023 – Present

- Provide attentive dining service to upwards of 50 guests per shift at Canada’s largest Boston Pizza, including large-scale corporate, entertainment, and community events.
- Adapt service to diverse guest needs while managing competing demands, resolving issues quickly and independently, and working efficiently within a team.

Expeditor – Bingemans Apr 2022 – Jan 2023

- Functioned as an independent mediator, facilitating communication between front of house and back of house operations during peak dinner service and seasonal periods.
- Coordinated quality control and delivery timing at the pass, ensuring precise plate presentation and order accuracy.

Server – Silvertip Lounge (at Chicopee Ski & Summer Resort) Nov 2022 – Mar 2023

- Delivered elevated dining service throughout peak ski season at Chicopee Resort, a staple recreational destination for the Waterloo Region community.
- Managed the service of multiple groups simultaneously in an organized and precise manner.

Host – Chicopee Ski & Summer Resort Nov 2021 – Mar 2022

- Directed guest flow and seating allocation in the Silvertip Lounge, balancing server workloads and restaurant capacity to maintain prompt service.
- Provided support on the floor by delivering food orders, maintaining cleanliness across multiple room venues, and implementing vaccination verification protocols into regular operations.

Assistant Ballet Instructor – Dance Adventure K.W. Jan 2021 – Jun 2021

- Assisted the studio ballet director in teaching competitive Grade 5 Russian Ballet classes twice a week.
- Mentored young dancers in technical mastery and discipline, contributing to the studio’s talent development.

Summer Camp Counsellor – City of Kitchener Jun 2018 – Aug 2019

- Supervised and engaged children ages 4–12 in a structured camp environment, fostering a safe, positive, and inclusive community setting.
- Organized and executed recreational and creative programming including group games, songs, and arts and crafts.
